REGISTRATION NO. 1740

Mr. George Bronz,

WASHINGTON 6, D.C.,
U.S.A.

Dear Mr. Bronz,

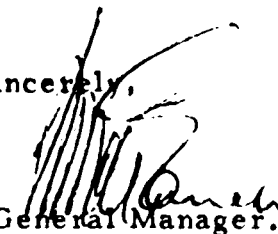

I refer to the various conversations and correspondence between you, my Chairman, myself and Mr. Hope, the New Zealand Government Commercial Counsellor in Washington.

The Board is delighted to retain your services as from January 1, 1961, on the basis outlined in your letter dated 29th December, 1960, to Mr. Hope.

I regret the delays that have occurred in finalising this arrangement with you, but I am sure you will understand that it was necessary to handle the matter so that there would be no misunderstanding between my Board and New Zealand Government representatives.

With kind regards,

Yours sincerely,

General Manager.

December 29, 1960

Mr. G. R. J. Hope
New Zealand Commercial Counselor
1145 19th Street, N. W.
Washington, D. C.

Dear Mr. Hope:

In accordance with our conversation this morning, I am setting forth here the proposed basis for my regular representation of the New Zealand Meat Producers Board, as discussed with Mr. Ormond on his two recent visits to Washington.

I would undertake to represent the Board and advise it on matters affecting the export of New Zealand meat to the United States, particularly with respect to tariff rates, other import restrictions and regulations of the United States Government, including the representation of the Board in any future formal proceedings which may take place in the United States Tariff Commission or other agency of the U. S. Government. I would also provide legal advice and assistance to the Meat Export Development Company (N. Z.) Limited on problems affecting its exports to the United States, insofar as such questions are of a general nature and involve the United States as a whole. Particular local problems, such as a quarrel with a purchaser, a carrier or a bank with respect to a particular shipment cannot be handled effectively at long range, and would require the services of a local attorney at the port or other place where the problem arises. I would be prepared to give such general advice as I can, and, if necessary, suggest local counsel on the spot.

For the services described above, I suggested to Mr. Ormond a monthly retainer of \$500, subject to adjustment as a clearer picture develops of the magnitude of the services required. If a major assignment, such as another Tariff Commission proceeding, should develop in the early months of such an arrangement, I would expect to ask additional compensation. However, after two or three years of a retainer arrangement, I would be prepared to handle a full-scale administrative proceeding as part of the regular arrangement with the Board. As is customary, out-of-pocket expenses incurred, such as travel, cable and long distance telephone, etc., would be billed in the exact amounts expended. I would suggest that the arrangement be effective from January 1, 1961.

Sincerely yours,
